About HSCA

Him Science Congress Association (HSCA) has been constituted with the thought of 'Promoting Excellence in Sciences' particularly in Himachal Pradesh. Him Science Congress Association has completed its seven eventful years. The aim of HSCA is to bring the pioneers of various scientific fields together to enlighten and motivate young scholars. Previous conferences were sponsored by various funding agencies such as DST, DRDO, ISRO, BRNS, SJVN and Himachal Tourism. Association is committed for promotion and cultivation of Science and has sponsored Children Science Congress in association with the Department of Science & Technology and some other national conferences as well. Previous conferences were held at Shoolini University (Solan), Himalayan Forest Research Institute (Shimla), Vallabh Govt College (Mandi), Hotel Inlover (Dharamshala), Atal Bihari Vajpayee Institute of Mountaineering, and Allied Sports (Manali) and NIT Hamirpur.

About CHITKARA UNIVERSITY

Chitkara University, Himachal Pradesh was established in the year 2008 by the Himachal Pradesh State Legislature under the "Chitkara University Act". It is a government-recognized NAAC Accredited University. The Chitkara School of Engineering & Technology, a constituent institution of Chitkara University, Himachal Pradesh offers industry-relevant engineering programs. The curriculum of these programs is delivered in capacious classrooms with the aid of information and communication technology (ICT) equipment, as well as on traditional black-boards. There are chapters of several clubs and societies on campus, as well as facilities for several sports. The various national and international collaborations of Chitkara University ensure that learning opportunities for students are always aplenty. Moreover, student exchange programs ensure that foreign students regularly add to the cultural diversity of our campus, while our students take the Indian culture to foreign universities and institutions. The university also possesses an impressive on-campus recruitment record, with many blue-chip companies regularly visiting, and recruiting from our campus.
