CHITKARA ALUMNI NETWORK
First International Alumni Meet

Chitkara's First International Alumni Meet was held in Marriott, Toronto Canada wherein alumni from Batch 2002 to 2022 of both campuses- Punjab and Himachal Pradesh joined. The evening was filled with nostalgia and sweet memories as the alumni interacted with each other and walked down the memory lane. Moreover, a special message from Dr. Madhu Chitkara, Pro-Chancellor, Chitkara University, made the evening even more delightful.

Alumni Events
“Share the Warmth” Sweaters Distribution Drive

Many students and their families lack the resources to fulfill their basic requirements, one of which is woolen clothing for winters. Many children belonging to poor backgrounds avoid going to school in winter as they don't have woolen clothes to safeguard them from scorching cold.

To address this problem today, 8th October 2021 NSS Unit along with Chitkara Alumni Network (CAN) organized a Sweater Distribution Drive in Govt. High School, Sharan, Solan, Himachal Pradesh from the donations received from Alumni as well as faculty. We donated 136 sweaters.

The occasion was graced by the presence of revered Vice-Chancellor, Dr. Varinder S. Kanwar, and our respected Pro-Vice-Chancellor (Academics), Dr. Manoj Manuja. It was a beautiful experience where we got to spend time with the children. On reaching there, we were greeted with kindness and warmth by the Principal and teachers. The Head Mistress, Ms. Sangeeta, was overwhelmed and said that she appreciated our support and contribution. The day turned out to be fruitful and happy. Though the time spent with them was just a few hours, however, it taught us a lesson that no act of kindness, no matter how small, is ever wasted.

CHARITY EVENT CHARITY STREET FOR THE GENEROUS HEARTS

Let's care to share!

Chitkara Alumni Network (CAN) along with NSS Unit, Himachal Pradesh organized a Charity event "Charity Streets for Generous Hearts" on 23rd December 2021 at Himachal Campus, Chitkara University. The event had handicraft stalls from NGOs like Swarmani, Prabh Aasra, and our NSS volunteers as well. There were toy drives, holiday book drives, Santa's Corner, Plants Sale, and Musical Corner. There were lots of other fun-filled activities and food stalls as well for food lovers. Alumni also participated and contributed generously to the noble cause.

Factors which define success

Some Personal Tips!!

- Create your LinkedIn Profile as soon as possible
- Connect with more and more people
- Spend least time on Social Media(Facebook, Instagram, Twitter)
- Stay connected with your teachers
- Never get scared of difficult situations

What should I do in First Year of my Engineering

1. Maintain CGPA
2. Time management
3. English speaking
4. Aptitude skills
5. Understand the topic
6. Make notes
7. Explore the college
8. Get in touch with faculty
9. Online courses
10. Reading books

In these challenging times, hand-holding has become the need of the hour and this was exemplified by two of our Alumni Aaditya Khanna and Nitish Khanna Batch CSE 2010 in the CAN - Alumni Webinar Series conducted on the 20th of October, 2021.

Aaditya Khanna is a Technology Lead at Infosys, Chandigarh, and Nitish Khanna is a Premier Support Engineer at Cloudera, Chennai.

In their webinar on " **Skill Up at Chitkara: Get a dream Career**", the Alumni touched upon the demands of the IT Industry in the times of post COVID- 19 and bridged the industry-academia gap in unequivocal words. They shared their Industry experience and talked about the latest technologies and platforms being used in IT companies. The talk also veered around making the students' industry-ready by equipping them with a repertoire of skills in complete consonance with the demand of today's Corporate World. They discussed threadbare the challenges that a freshly graduated student encounters in the transition from campus to corporate life. The Alumni gave a deeper insight into the job market and placement scenario coupled with a discussion on how hard work and destiny work in tandem and why one should not be disappointed if rejected in an interview. They emphasized staying positive and to keep learning and grow in the ever-changing, fast-paced, and dynamic corporate world. It was an engaging session where budding Chitkarians asked the Alumni about the latest technologies and skills required to be absorbed in the market.
