ACTION TAKEN REPORT
B.E. Civil Engineering
2017-18

Based upon the feedback received from various stakeholders (Students, Alumni, Industry and faculty) and subsequent recommendations of the committee constituted for the purpose of improvement and updating in the existing curriculum and associated pedagogy being adopted; the points were deliberated upon and were discussed at length. The following actions are taken to address the key suggestions of all the stakeholders:

Committee discussed the suggestions received form stakeholders and recommended following for further action:

S. NO	SOURCE/ GROUP	KEY SUGGESTIONS	RECOMMENDATIONS
1	STUDENT FEEDBACK	<ul style="list-style-type: none"> The students strongly feel that internships at the end of the 3rd academic year can be kept at the end of 7th semester as they help students to gain insightful experience in the real life learning scenario. Engineering exploration – Option for carry over for long term projects shall be available with the students 	Instructions have been passed on to the DAAC and for further take up in BOS.
2	EMPLOYER/ INDUSTRY FEEDBACK	<ul style="list-style-type: none"> Communication skills should be enhanced through special modules. More focus on laboratory practices and Lab course syllabus to be updated 	Program coordinator to discuss the same in DAAC and for further discussion

3	FACULTY FEEDBACK	<ul style="list-style-type: none"> • Weight age to attendance in course be given and be part of the evaluation criterion • Attendance of the students during industrial visits be made mandatory and be given due weightage. • Syllabus of Building material & Construction & Water Resource Engineering to be revisited • Special focus on placement module. 	Instructions to DAAC for getting the recommendations for approval by the competent authority
4	ALUMNI FEEDBACK	<ul style="list-style-type: none"> • Special focus on GATE preparation. • Field visits to industry – at least one visit be made mandatory part of the curriculum 	Instructions have been passed on to the DAAC and for further take up in BOS.

The DAAC/Program In-charge coordinator is advised to circulate the information to all concerned faculty/staff for further necessary action as mentioned in the report.
