**ACTION TAKEN REPORT 2018-19
BE-Civil Engineering**

Based upon the feedback received from various stakeholders (Students, Alumni, Industry and faculty) and subsequent recommendations of the committee constituted for the purpose of improvement and updating in the existing curriculum and associated pedagogy being adopted; the points were deliberated upon and were discussed at length.

Committee discussed the suggestions received from stakeholders and recommended following for further action:

S. NO	SOURCE/ GROUP	KEY SUGGESTIONS	RECOMMENDATIONS
1	STUDENT FEEDBACK	More choice of electives to be given across length and depth of the domain.	Recommended to DAAC, for more electives to be included and offered to the students in the different domains.
2	EMPLOYER/ INDUSTRY FEEDBACK	Industry needs industry ready students who can start working with us on the first day.	Program coordinator has been advised to get specific details from the industry so as to incorporate the relevant topics for discussion in the next DAAC
3	FACULTY FEEDBACK	Mathematics and Physics courses should be domain specific and should include more application topics. English course being offered be made more skill based and more emphasis be on Spoken English	The DAAC has been advised to add engineering and Applied contents w.r.t domain.
4	ALUMNI FEEDBACK	More design related software should be introduced.	Recommendations sent to DAAC.

The DAAC coordinator /Program Incharge is advised to circulate the information to all concerned and for timely incorporation of the recommendations by the competent authority.
