

CHITKARA UNIVERSITY COLLEGE OF NURSING
ACTION TAKEN REPORT
ACADEMIC YEAR: 2019-2020

The Chitkara University College of Nursing appreciates the suggestions of various stakeholders including faculty members, students and employers/industry experts to improve the curriculum and make it more relevant as per requirement of the industry. The suggestions/feedback given by various stakeholders for the session 2019-2020 have been addressed and the action taken in this context is stated in the table given below.

For the academic year 2019-2020, feedback was taken from different stakeholders i.e. students, faculty members and industries

S. No.	Source	Total numbers of respondents
1.	Students	32
2.	Industry/Employer	02
3.	Faculty	06

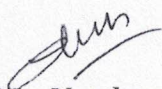

Committee discussed the suggestions received from stakeholders and recommended the following for further action:

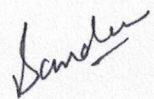

S. NO	SOURCE/ GROUP	KEY SUGGESTIONS	ACTION TAKEN
1	STUDENTS FEEDBACK	<ul style="list-style-type: none"> Requested to plan career guidance and counselling sessions. Suggested to add library hours on a daily/weekly basis to the timetable. 	<ul style="list-style-type: none"> Career counselling session titled "Compassion Fatigue" has been premeditated for the students in the upcoming even session. One hour per week has been marked as a library hour and the same has been updated in the timetable.
2	INDUSTRY FEEDBACK	<ul style="list-style-type: none"> Advised to plan more collaborative activities to enhance clinical skills of the students. 	<ul style="list-style-type: none"> So far, in collaboration with Paras Hospital two expert sessions named CPR and Infection Control have been planned for the students

			during the clinical duties. Furthermore, more sessions may be planned according to the availability of the expert in the clinical setting.
3	FACULTY FEEDBACK	<ul style="list-style-type: none"> Updated and new edition text books should be available in the library. It was suggested to revise and update the course content of various subjects. It was suggested by the faculty members to organize faculty development programmes/seminars/worksh ops related to research and statistics. 	<ul style="list-style-type: none"> Updated text books of respective subjects have been added to the library. Course contents of English, Anatomy and Physiology, Nutrition and Biochemistry, Nursing Foundations, Microbiology, Nursing Foundations (Practical), Introduction to Computers, Psychology have been revised and approved in BOS. It was decided by the DAAC members that a faculty development programme will be organised in the forthcoming session on the topics such as advanced research methodology, analysis tools such as SPSS etc.

The DAAC/Program Incharge coordinator is advised to circulate the information to all concerned faculty/staff for further necessary action as mentioned in the report.
