

Reference No. CU/SOP/2020-21/ATR/01

Dated: 23-06-2021

**SCHOOL OF PHARMACY
CHITKARA UNIVERSITY, HIMACHAL PRADESH
ACTION TAKEN REPORT
ACADEMIC YEAR: 2020-21**

The **School of Pharmacy** appreciates the proposals given by the various stakeholders including faculty members, students, and employers/industry experts to improve the curriculum designed for program **B. Pharmacy** and make it more relevant and need-based. The suggestions/feedback given by numerous stakeholders for the session **2020-21** have been analyzed and the action taken in this framework is stated in the below-mentioned table.

For the academic year, 2020-21 feedback was taken from different stakeholders i.e. students, faculty, and industry

S. No.	Source	Total number of respondents
1.	Students	31
2.	Industry/Employer	05
3.	Faculty	06
4.	Alumni	NIL

DAAC Committee discussed the suggestions received from stakeholders and recommended the following for further action:

S. NO	SOURCE/ GROUP	KEY SUGGESTIONS	RECOMMENDATIONS
1	STUDENT FEEDBACK	Mock tests before the final examination should be conducted to create awareness among students about the pattern of the exam.	The feedback about mock tests has been conveyed to all faculty members. It has been decided to give questions mocking like real exams in assignments and solutions of each assignment to be discussed in tutorial classes.
2	EMPLOYER/ INDUSTRY FEEDBACK	Students should have additional skills in operating various instruments that are used in different departments of industry. Motivation should be given to	Hands-on training sessions should be organized to improve the skills and performance of the students. Case study assignments related to the curriculum

		the students to manage projects as a team.	should be given to students in groups so that their teamwork can be enhanced.
3	FACULTY FEEDBACK	The curriculum should be updated with some recent courses to fulfill the intellectual and technical skills of the students.	The DAAC committee recommended concerned subject coordinators to include certain industry-related topics in their classroom teaching based on the needs of the industry.
