S.No.	Key Suggestions	Source
1	Industry experts are of the opinion that the exposure to web technologies is must for the undergraduate students. Hence there is a need to work on web development courses.	Industry/ Employer Feedback
	Quality assurance /testing needs to be provided.	
2	Students are learning the programming languages. We need to provide a platform where more Hands-on in programming courses is given to students	Faculty Feedback
	In most of the courses, concepts of mathematics are required such as in arrays students should be aware about matrices in mathematics. Students need to improve in the concept of Mathematics.	
	About the latest technologies , faculty needs to be aware of so that students are benefitted and research work of respective faculty also improves	
3	Students have raised a concern regarding the number of books of mathematics in the Library.	Student Feedback
	Course on Networking is tough.	
	More preparatory holidays in exams.
